PREFACE

This is the second general election "vote supplement" compiled under authority of Section 18756.5 as added to the Elections Code by Chapter 133, Statutes of 1961. The first supplement followed printing of the regular statement of vote pamphlet for the 1962 general election.

The supplement must show the number of votes cast in each city, county, supervisorial district, assembly district, senatorial district and congressional district for each candidate for the offices of Presidential Elector, Governor and United States Senator (depending on offices filled at the general election) and on each statewide ballot proposition of major interest.

Propositions of major interest are determined by the Secretary of State by reason of Section 18413.5, Elections Code. Proposition No. 14 was selected for the November 3, 1964, general election.

I acknowledge with appreciation the cooperation of the registrars of voters, county clerks and their deputies in providing detailed vote abstracts, summaries and memorandums so necessary for a compilation of this nature.
