PREFACE

This Statement of Vote reflects the votes cast in the Gubernatorial Election held on November 7, 1978, as well as the votes for Representative in Congress, State Senator, Member of the Assembly, and Justices of the Supreme and Appellate Courts.

It is prepared and issued pursuant to Elections Code Section 17121.

I wish to thank those many individuals who assisted in compiling, proofreading, editing, designing, and printing this document with its detailed vote information.

I want to express special thanks to Mervin D. Field of the Field Research Corporation in San Francisco for his permission to include a table he has published which shows California voter registration and turnout in statewide elections between 1958 and 1978 as a percentage of total eligible population. This table illustrates the decline in real voter participation over the past twenty years.

LEGEND OF SYMBOLS USED

- + Kings County did not report any registration statistics for the City of Avenal. The city incorporated on September 11, 1979. The vote totals shown on page 12 for the incorporated areas do not total to the county vote totals. The missing information for the City of Avenal is:

Prop. 1	Yes	248	No	99
Prop. 2	Yes	172	No	163
Prop. 3	Yes	221	No	112
Prop. 4	Yes	200	No	135

- * San Benito County had one precinct, in an unincorporated area of the county, in which voters who lived in one precinct within the 3rd supervisor district voted in a consolidated precinct with voters who lived in the 4th supervisor district. Because the precinct was consolidated across supervisor district lines, and because no attempt was made to segregate the voted ballots by supervisor district, no one now can tell how to apportion the votes back to the supervisor district from which each of the voters who voted lived.

The vote totals shown on page 22 for the supervisor districts do not total to the county vote totals. The missing information is:

Prop. 1	Yes	109	No	43
Prop. 2	Yes	89	No	59
Prop. 3	Yes	118	No	29
Prop. 4	Yes	122	No	30

- @ Los Angeles County and San Francisco City and County did not apportion their absent voter ballots to the proper congressional, senate, assembly and, in the case of Los Angeles, equalization districts. Therefore, the number of votes reported in each affected district is understated.

- # Santa Barbara County did not apportion their absent voter ballots to the proper senate and assembly districts. Therefore, the number of votes reported in each affected district is understated.

- & Sierra County consolidated the two precincts in the City of Loyalton into a single precinct. One of these precincts was in the 4th supervisor district, and the other in the 5th. Because the precinct was consolidated across supervisor district lines, and because no attempt was made to segregate the voted ballots by supervisor district, no one now can tell how to apportion the votes back to the supervisor district from which each of the voters who voted lived.

The vote totals shown for the City of Loyalton are the sums of the votes from the 4th and 5th supervisor districts.

- \$ Solano County did not apportion their absent voter ballots to the proper assembly district. Therefore, the number of votes reported in each affected district is understated.
