PREFACE

This Statement of Vote is prepared and issued pursuant to Section 17121, Elections Code.

I wish to thank those many individuals who assisted in compiling, editing, proofing and printing this document with its detailed vote information.

In particular, I wish to express my special appreciation to Ed Arnold, Cashie Apperson and Ruby Blight, of my elections staff, who worked many long and tedious hours preparing and editing this document; to Bob Fitzgerald and Bob Williams, of my data processing staff, who designed and produced many innovative features in both the election-night canvass and the computer typesetting of the Supplement; and, to Jim Neagle from the Graphic Arts Section of the State Printing Plant for the cover design.

PREFACE

This Supplement to the Statement of Vote is prepared and issued pursuant to Elections Code Section 17122.

I wish to thank those many individuals who assisted in compiling, proofing, editing and printing this document with its detailed vote information.

MARCH FONG EU
Secretary of State

NOTE

Los Angeles - did not apportion their precinct vote and absentee vote back to Equalization district.

Solano - did not apportion their absentee vote back to Assembly district. Therefore the number of votes received by each candidate and for and against each measure in the Fourth and Eighth Assembly districts is understated by an amount, which although no known, is not greater than the number of absentee votes cast in Solano County.
