Note 1: "Although counties have been required to report the party affiliation of California's registered voters since 1915, the first statewide record did not appear until 1922, and no records are available prior to that date." See Eugene C. Lee, *California Votes 1928 - 1960*, Institute of Governmental Studies, University of California, 1963, quoted at page 26.

Note 2: Prior to 1944, the presidential primary was held in May, and a second primary was held in September or August to nominate partisan candidates for congress, the state senate, and the assembly. In 1944, these primary elections were consolidated into a single primary election date.

Note 3: Since the statewide primary election party nomination process began in 1910, sixteen parties have qualified to conduct primary elections, including:

- * Democratic 1910 - present
- * Republican 1910 - present
- * Independence League 1910
- * Prohibition 1910 - 1962
- * Socialist 1910 - 1938
- Commonwealth 1934 - 1938
- Communist 1934 - 1938
- Progressive 1934 - 1942
- Townsend 1938 - 1942
- Independent Progressive 1948 - 1954
- American Independent 1968 - present
- Peace and Freedom 1968 - present
- Libertarian 1980 - present

Prior to 1910, many parties either conducted conventions or held primary elections to select their candidates for the statewide general election. The five parties whose names are preceded by an asterisk were active before 1910.

Certificate of the Secretary of State

I, MARCH FONG EU, Secretary of State of the State of California, hereby certify:

That the foregoing is a full, true, and correct statement of the result of the official canvass of the returns of the June 3, 1986 Direct Primary Election.

IN WITNESS WHEREOF, I hereunto set my hand and affix the Great Seal of California, at Sacramento, this 12th day of July, 1986.

MARCH FONG EU
Secretary of State

This year marks the 75th anniversary of the initiative process which was established in 1911. The initiative is one of several important reforms instituted by the Progressives, a political movement active in California from about 1900-1916.

Governor Hiram Johnson, a key figure in the Progressive Movement, is depicted in the center of the cover photograph with members of the California delegation to the 1912 National Progressive Party Convention.

Original initiative petitions and related documents are preserved in the California State Archives.

Cover design by Anne Staley.

This year marks the 75th anniversary of the initiative process which was established in 1911. The initiative is one of several important reforms instituted by the Progressives, a political movement active in California from about 1900-1916.

Governor Hiram Johnson, a key figure in the Progressive Movement, is depicted in the center of the cover photograph with members of the California delegation to the 1912 National Progressive Party Convention.

Original initiative petitions and related documents are preserved in the California State Archives.

Cover design by Anne Staley.
